

PRATT COMMUNITY COLLEGE
FOUNDATION
WAYS TO GIVE

- **Annual Scholarship Fund**
The annual fund is a yearly fundraising campaign that supports scholarships, academic programs, and student life.
- **Endowed Scholarship**
Restricted—A gift of \$25,000 or more supports a purpose, program, department, or activity according to the wishes of the donor. It should be consistent with the mission, goals, purposes and plans of the College/Foundation.
- **Memorial/Honorarium Gifts**
Established in honor of individuals who have made significant contributions.
- **Matching Gifts**
More than one thousand corporations across the U.S. have matching gift programs. If your employer offers this benefit, please send in your company's matching gift form along with your donation.
- **Cash or Securities**
Appreciated stocks, bonds or mutual funds entitle the donor to two income tax benefits: Avoidance of capital gains and an income tax deduction based on the securities' fair market value on the date of the gift.
- **Real Estate Gift**
May be used to fund a life income trust whereby the donor retains a life income interest in the earnings of the trust.
- **In-Kind**
Instead of giving money to buy needed goods and services, the goods and services themselves are given as a donation.
- **Planned Giving/Estate Planning**
Allows a donor to make a gift commitment to the College/Foundation but to delay delivery of the final benefit of the gift until a later time.

PLANNED GIVING

Planned giving provides Pratt Community College with a steady and predictable stream of financial support, enabling us to better plan for long-term initiatives and investments. Additionally, such contributions often involve tax-efficient strategies, making it an attractive option for donors looking to leave a lasting legacy while maximizing their philanthropic impact on the institution.

- **Bequest**

The most common type of planned gift is a bequest in a will or trust. It may be stated as a percentage of the estate or for a specific dollar amount until a later time.

- **Charitable Remainder—Annuity Trust or Unitrust**

You transfer an irrevocable gift of cash, securities or mortgage-free property to a trust for which Pratt Community College Foundation will serve as trustee. The trustee invests the assets of the trust and pays a percentage of the trust's value to one or more beneficiaries named by you. You can create a trust that will pay you either a fixed annual income (Annuity Trust) or a variable annual income (Unitrust).

- **Charitable Lead Trust**

A charitable lead trust allows the donor to retain possession of an asset while making a generous gift to the college.

- **Charitable Gift Annuity**

In exchange for your irrevocable gift of cash, securities or other assets, Pratt Community College Foundation agrees to pay one or two annuitants a fixed sum annually for their lifetime(s). The annuity amount is based on the age of the annuitant(s). The older the annuitant(s), the greater the annuity payment.

- **Life Insurance Gift**

Many people don't realize how convenient and welcome a gift of life insurance can be. Only one action is necessary: The naming of Pratt Community College Foundation as the policy's beneficiary. (Whole or Universal Life Policies only)

- **Real Estate Gift**

May be used to fund a life income trust whereby the donor retains a life income interest in the earnings of the trust.
